

## Take care before you share information

**False  
information  
often gets  
spread on  
social media  
too.**

Manipulation

Confusion

False information

**Pause  
before  
sharing**

**Check first  
and then share  
– or don't**

- ✓ WHO created this post?
- ✓ From WHOM did I receive it?
- ✓ WHAT is the source of the information?
- ✓ WHEN was the content published?
- ✓ WHY do I want to share the content?
